1	AUSTRIA	OAMTC	SOS CHILDREN VILLAGES JOIN THE UN GLOBAL ROAD SAFETY WEEK	Children of the SOS Children's Villages will draw their daily way to school, raising awareness of the possible difficulties and dangers of being in traffic as pedestrians. Results will be presented at a press-conference and an award given to the best drawing.
2	BELARUS	BKA	PEDESTRIANS+DRIVERS=ROADSAFETY PARTNERSHIP	The project aims to reduce pedestrian deaths and injuries on the most dangerous pedestrian crossings in Minsk. It also seeks to improve road safety consciousness through an awareness and education campaign and to create a platform for partnership between pedestrians and drivers.
3	BELGIUM	TCB	WALK SAFE: THE SAFETY CORNER	TCB will organise a road safety media corner on 6 May, either at the starting point of the Long Short Walk or the end of the walk.
4	CHILE	ACC	PEDESTRIAN ROAD SAFETY	In Chile, 50 per cent of road deaths are pedestrians. As they often don't respect traffic lights and other signals we propose an active campaign displayed on the streets to all pedestrians on the "wrong way and the safe way" to cross streets.
5	COSTA RICA	ACCR	TRAFFIC CALMING PROJECT/ARTISTIC CROSSWALKS IN HIGH RISK CROSSINGS	Curridabat is a city of 72,000 inhabitants and large numbers of vehicles travel across the city daily. Citizens must recover their right to cross the road safely. Our goal is to strengthen road safety efforts by installing three artistic crosswalks on the most dangerous intersections in Curridabat.
6	ECUADOR	ANETA	ROAD SAFETY PROJECT FOR PEDESTRIANS	We plan many activities during Road Safety Week, through 36 schools across the country. We will educate and train drivers and pedestrians through activities aimed at reducing incidents.
7	HUNGARY	MAK	MAK ROAD SAFETY EVENTS DURING THE SECOND UN GLOBAL ROAD SAFETY WEEK	Joining the Second UN Global Road Safety Week, MAK is going to hold a series of road safety events in Szeged, a cultural and university centre, between the 6 and the 12 May 2013. We wish to draw participants' attention to the importance of pedestrians' safety in traffic, to occurring dangers and to rules.

8	INDIA	WCIM	PEDESTRIAN ROAD SAFETY	Kids are invited to the WCIM institute for training & fun activities. The main objective is to reach the entire family with the ultimate aim of reducing accidents.
9	INDIA	WIAA	PEDESTRIAN SAFETY WEEK	Training & fun games for children at Traffic Park. The accompanying communication strategy urges the mass media to view pedestrian safety as a social responsibility.
10	INDIA	AAUI	SECOND UN GLOBAL ROAD SAFETY WEEK	This project is an opportunity for the FIA clubs to conduct studies and organize programs that are of great value in saving pedestrian lives. It consists of booklet distribution, banners, face to face Interaction with pedestrians and volunteers to guide them.
11	INDIA	AASI	THE 'RIGHT OF WAY' FOR PEDESTRIANS	Pedestrians are to walk on the right side of the road where vehicles move on the left side. Unfortunately motorists do not give way to pedestrians, even at pedestrian crossings. We propose creating awareness by printing posters and banners for display at vantage points.
12	INDIA	AAEI	SECOND UN GLOBAL SAFETY WEEK	A workshop to be organized at school level to build awareness in collaboration with local Police authorities. Distribution of leaflets & banners with the FIA logo at congested areas with the message "Don't use Mobile Phone while crossing", "Don't cross while traffic is on", "Use ZEBRA CROSSING", "Use Footpath where available" will accompany the activities together with the organisation of the Long Short Walk with celebrities. Media coverage will maximise the program.
13	ISRAEL	MEMSI	"BE SAFE" PEDESTRIAN CAMPAIGN	A collaboration with five large municipalities for distribution of training materials in kindergartens by volunteers and professional trainers. Training will be supported by 5000 workbooks, produced by MEMSI, on the importance of being careful on the road in a story-telling way. The campaign will include the distribution of 5000 crosswalk shirts for school children, as well as the yellow FIA action for road safety decade pins and reflectors bracelet. The campaign will be promoted via local media channels and distributed throughout the country.
